

Interview Skills

Evidence: Interview Preparation Checklist

1. Interview Preparation Checklist

Step	Task	Details
1	Research the company	Understand values, mission, products/services
2	Review your resume	Refresh memory on all experiences and projects
3	Dress professionally	Choose neutral colours, ensure clothing is clean and neat
4	Know your "why"	Prepare answers: Why this role? Why this company?
5	Create story bank	Prepare 5-7 specific examples from past experiences
6	Prepare CAR responses	Use Context-Action-Result for behavioural questions
7	Practice body language	Maintain eye contact, sit up straight, firm handshake
8	Rehearse questions	Practice common questions out loud
9	Prepare questions to ask	Ask about company culture, role expectations, growth
10	Plan logistics	Arrive 10-15 minutes early, turn off phone

2. The CAR Method

This is a method used for behavioural interview questions

- **Context:** Brief setup - what was the situation?
- **Action:** What specific actions did you take?
- **Result:** What was the measurable outcome?

3. Example Questions to Ask an Interviewer

- What does a normal day look like in this role?
- What do you enjoy most about working here?
- What are the biggest challenges facing the team?
- What opportunities exist for professional development?
